Holley Promises Vote On One Courthouse

State Representative Jimmy Holley met Tuesday night with elected officials from throughout Coffee County. The purpose of the meeting was for Holley to announce and discuss his plans to get the courthouse issue before the people of Coffee County.

Holley's plan is to get a constitutional amendment on the ballot and allow the people of Alabama to vote on changing the county seat from Elba to New Brockton. This would also mean closing the annex in Enterprise if approved by the voters. Holley said this is the only alternate available unless someone or some group manages to get a petition signed by one more than fifty percent of the registered voters in the county.

Present at the meeting, held at the farm center in New Brockton, were elected officials from Elba, Kinston and New Brockton, as well as members of the county commission and other county officials, the news media and several officials-elect, including all but one of the incoming city fathers of Elba. Conspicuous by their absence were the Mayor and council of Enterprise. Reports were that they "had other commitments."

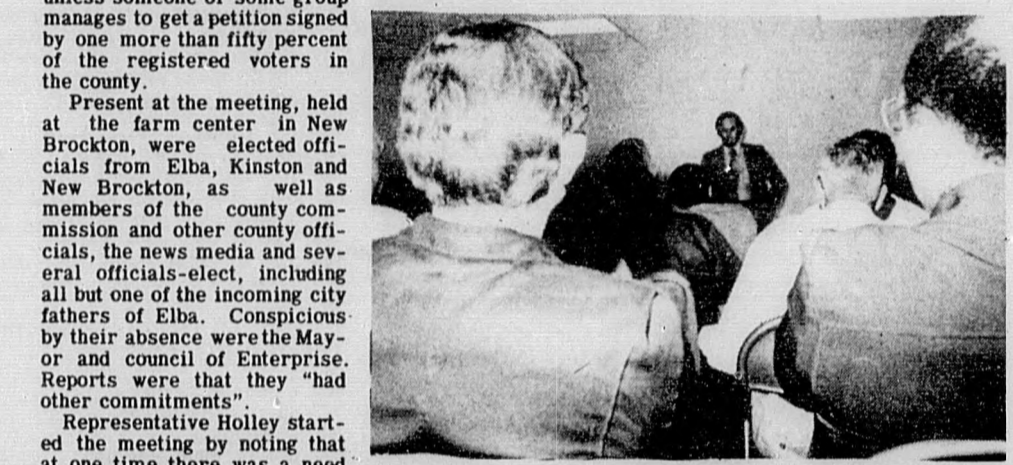

Representative Holley started the meeting by noting that at one time there was a need for two courthouses in Coffee County, but with modern transportation he felt this need has passed. He added that in his opinion the growing split between the two divisions of Coffee County could be healed by compromising on one courthouse. According to Holley, the one place the people of Coffee County would compromise on would be New Brockton.

Holley called on Probate Judge James Sawyer to comment on the Grand Jury reports and Sawyer said that for three years, the Grand Jury of both Elba and Enterprise had been calling for one courthouse, but that the County Commission hands were tied by Alabama law.

Sawyer noted that the county commission had been prompted by a large number of people to "do something." He said the only thing the commissioners could do would be to build two new courthouses or attempt to repair the existing buildings again.

Elba city councilman John W. Sharpless asked, "When could this election be held?" Holley said the constitutional amendment would have to be introduced into the House in February and the law sets the waiting time after the legislative session ends before an election can be held.

Tax Collector Max Reeves went on record as favoring one courthouse and locating it in New Brockton. He said he was elected to work in two courthouses and could continue, but

Safety Week Proclaimed In State

October 3 - 9 is National School Bus Safety Week, and will be observed in Coffee County.

Coffee County's fleet of 35 buses now serves six county schools. Approximately 2000 students are bused to school each day, amounting to 38,000 miles each month.

Coffee County Transportation Supervisor Wayne Smith assures parents that school officials are "concerned and responsible for the safety of your children from the time they board their bus. If they arrive at their assigned building, and then return home."

According to Smith, the school bus drivers in the county and the state are required to have State School Bus Drivers License. Each driver must obtain 12 clock hours of training given by State Transportation consultants, and six hours each year to remain qualified drivers.

Smith also points out that school bus safety programs are carried out in the schools to teach the children road safety rules on the buses. He calls upon county citizens to observe bus safety on the highways this week, and at all times.

LICENSES EXPIRE IN OCTOBER

The coming of October means it's that time of the year again to renew all licenses.

Coffee County Probate Judge James Sawyer has announced that all yearly licenses expire on Nov. 1, and that beginning Oct. 1 the Probate Office will be open from 8-5 on weekdays (including the noon hour) and 12 on Saturdays.

Business licenses will be sold only during October, and those wishing to renew their license should bring their old license with them to the Probate Office to speed up the process.

Hunting licenses will be \$2.75 for the county, and \$5.25 for the state. Fishing licenses are \$3.25 for rod and reel and \$1.25 for hook and line (outside the county). Life-time hunting and fishing licenses are also now, and are \$4.50 for a boat up to 16 feet, and \$6.50 for boats 16-26 feet.

BAND PARENTS TO MEET TUESDAY

All band students' parents are urged to attend the Band Boosters' meeting scheduled for Tuesday, October 26 at 7 p.m. in the band room of the school.

Clark Named To Equalization Board

Joe Clark, Elba Real Estate agent, is shown being sworn to serve on the Coffee County Equalization Board. Swearing in Clark is Probate Judge James Sawyer.

Named to the three man board with Clark were E. L. Dean and Early Frank Henderson.

Electric Rate Increase Pondered

Consulting Electrical Engineer Jimmy Stewart, left, talks with Water and Electric Chairman Charles Hayes, center and Mayor Elect Robert Folsom about the pending electric rate increase in Elba. Stewart is estimating the wholesale rate increase and attempting to break it down in the smallest possible rate increase for the people of Elba.

Previously Hayes has estimated that an increase of at least 30% was in store for Elba power users. This was due to a rate increase from Alabama Electric Co-op that takes effect on October 1st. Alabama Electric had to increase the cost of power bought in Washington.

Presently the plans for this rate increase to be re-elected on the Elba power user's bill is November 1st.

Democrats Plan Strategy For November

The Coffee County Democratic Executive Committee met Saturday at noon to make plans for the upcoming November election. Joe Siegelman of Birmingham and Linda Brown, of Dothan were present representing the State Democratic Committee and explained the plan to the local group.

Siegelman announced that County Chairman Jackson Stokes has been appointed to lead the Carter-Mondet campaign. This appointment was made by Carter. Stokes was also appointed by state chairman Robert Vance to head the "Vote Democratic" party for the November election.

34 PRE-IT CONTESTANTS ENTER LITTLE MISS CONTEST

Danon Lowery Named Little Miss Elba

Pretty little Danon Lowery, (center), second grader at Elba Elementary School, captured the Little Miss Elba crown last Thursday night at the annual contest.

Danon is the daughter of Mr. and Mrs. Sammy Lowery. She will participate in the Little Miss Peanut contest during the Peanut Festival at Dothan in October.

First runner-up (left), was Melanie Ann Barnes, daughter of Mr. and Mrs. Federal Barnes. Second runner-up was Camilla Biasi, daughter of Mrs. Mavis Biasi.

Krista Dyeas, daughter of Mr. and Mrs. Tom Dyeas was last year's Little Miss Elba.

SOCIAL SECURITY OFFICE TO MOVE

The Social Security Office will relocate at the Elba City Pool recreation building, effective October 7th. The SS meetings have previously met each Thursday at the Recreation Center, Troy Highway.

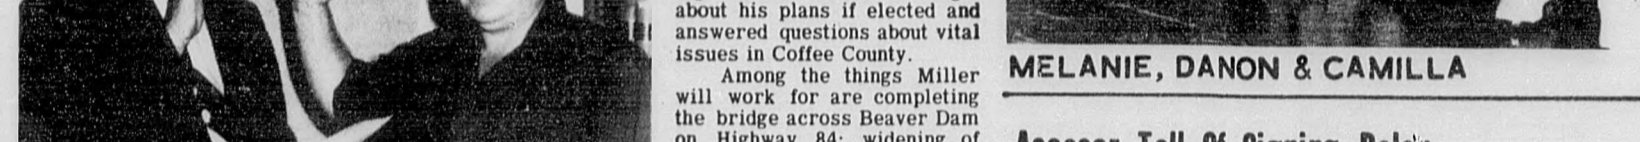

The meeting days and hours will remain the same: each Thursday from 10 to 12 noon.

WALLACE MILLER POLITICS IN ELBA

Dr. Wallace Miller, Democratic candidate for the Alabama Senate, visited THE ELBA CLIPPER Monday morning. Miller talked at length about his plans if elected and answered questions about vital issues in Coffee County.

Among the things Miller will work for are completing the bridge across Beaver Dam on Highway 84; widening of Highway 84 to 24 feet from Elba to Springfield, south Troy; 4 lane of 84 from Elba to Enterprise; work with elected officials of cities and county to help solve the many problems facing Coffee County; work to get Coffee County back together; work with representatives with regional figures for real estate; therefore, the Coffee County Taxpayers will not be able to sign their assessment sheets on October 1. We will publicize our progress in assessing property and you should be able to sign your assessment sheet before December 31, 1976.

Car Tags Have New Look For New Year

Alabama car tags take on a new look this year. The tags are designed to last five years, and will go on sale Friday, Oct. 1, in Coffee County. Decorated in red, white, and blue, the tags feature the identifying letters and numerals, a picture of the state capitol, an Alabama flag, a Heart of Dixie emblem, a Bicentennial flag, and the year. Inexpensive, car owners will just purchase a decal with the new year for their tags. Coffee County tags go from BWD 001 to BWK 999—with no more than three numerals used. Also, the identifying county name comes on a decal to be attached to the bottom of the tag. Displaying the new tags are Mrs. Nell Harrison, Chief Clerk at the Probate Office, and Miss Billie Simmons, a V.I.C.A. student employed at The Elba Clipper.

The buyers first go to the tax assessor's office, then to the tax collector's office, then to the probate judge's office to follow the established process.

We often hear that the law protects the criminal to the extent that the honest citizen is punished. Well, this week we have the story that keeps people believing it happens. The story begins when a young woman enters the apartment of her girl friend who is not at home. A man (about 22 years old) sexually assaults her and throws her from the apartment window. About this time the young woman who lives in the apartment returns, sees the man and fires a pistol at him, but misses (unfortunately, I think). The man escapes and the woman firing the gun is arrested for firing a firearm in the city limits. Her bond was \$1,000. The rapist escaped. Now that wasn't Elba, Alabama, but we still don't like that application of the law.

Lamar Vaughan had a birthday recently (he's 30 - again). His wife, Frances, baked him a beautiful, rich chocolate cake and after a bit of strong hunting, ye old editor managed to pry a slice away from Lamar. The small amount I did eat was delicious, but that piece of cake almost caused WW III at my house - 'cause the whole family was eating cake and trying to outdo the other in bragging on it. It takes a better than average cake to do that at my house, 'cause we have a certified cake baker at our house also.

I may be jumping the gun, but apparently we will have a very smooth transfer of authority next week when the new city council is sworn into office. Most of the outgoing officials are making a concerted effort to see that their replacements are fully aware of what is happening. The council voted last week to be sure that the appointed officials prepared briefings for the new city fathers, covering almost every phase of city government. No amount of praise is too much for this action, and no dollar price can be placed on its value.

While this column contains a mention of birthdays, you should be informed that Sheriff Neil Grantham celebrated one several weeks ago now. When asked how old he was, Neil quickly said "39" but later he admitted it was his eleventh anniversary of being 39! A local young lady's children announced one day recently that "today is mother's birthday." We don't dare mention her name, but she was celebrating several anniversaries of being "29."

The two major candidates for president have now faced each other in their first debate. Both were so well rehearsed that nothing was learned about either. Apparently the best part of the whole program was the 26 minutes that the sound was off the air!

Mayor Sam Sawyer came in from a fishing trip last week bragging about catching a six-pound bass on a fly rod while break fishing. He was not at all modest about the fact he was using a very small bug and a six-pound test line. Nor will he mind giving you a circle-by-circle account of the feat. If you are still hungry for a good fish story, ask Rex Boutwell. He has one about a young boy catching two bass on one plug - and at the same time. Of course this was in Pea River and anything is possible in Pea River!

Believe it or not - Tuesday night Commissioner Bennie Beckham did not open his mouth at the meeting to discuss the courthouse deal with Representative Jimmy Holey. Friend Bennie always has an opinion, but Tuesday night he said there was just too much news media present for him to start talking! As ye old editor walked into the building, Bennie got quiet and cut his eyes around and promised not to say a thing to be quoted on, but here I am quoting that statement! Seriously, the commissioners have no choice - if the law remains as it now is, they must maintain two jails and courthouses in Coffee County, and they must be adequate!

Happy Birthday Rick

Rick Steller will celebrate his fifth birthday today (Thursday, September 30). A preschooler at the Elba Elementary School, Rick is the son of Mr. and Mrs. Norman Steller. He is the grandson of Mr. and Mrs. Dan Burch, Elba, and Mr. and Mrs. George Steller, Stoddard, Wisconsin.

County General Fund Again Broke

With Ferrin Cox

The Coffee County Commissioners met in a regular session on Monday, September 27, at the courthouse in Elba, and for the first time in several weeks breezed through all matters without controversy.

The commission was informed that the State Highway Department had made applications for grants to cover the costs of three (3) planned road construction projects in the county.

The first project is the widening of Highway 87 from the Creek bridge to the Pike County line. The second project is the addition of two lanes on the Enterprise bypass (making it 4-lane), while the final project is the widening of Highway 166 between Elba and Enterprise.

The commissioners unanimously voted to work with the Highway Department, but made a resolution to ask the Highway Director to widen Highway 84 between Elba and Enterprise.

County Tax Assessor Fred Davidson told the commissioners with the commission, and he informed the gathering that the Tax Assessor's sheets had been received, and might not arrive until December 1. Davidson told the commissioners that they will not be able to sign their assessment sheets now, as is normally done.

Mr. Bill Catlett met with the commission regarding the Senior Age Program. A question arose last week over the number of federally maintained jobs and their locations. Catlett cleared up matters by informing the commission that a worker was moved from a job due to a personality conflict, and promised to keep the commissioner informed about the situation.

Uncle CHARLIE IS GONE. AT AGE 121 YEARS YOUNG. Born in 1854 into slavery, and he died January 11, 1976. One hundred & twenty-one years he lived on this earth. A life-long resident of Alabama, he didn't remember his mother and father, but he was named Charlie Porter by his "Master" of slavery.

Uncle Charlie didn't quite remember the year he moved to Elba, but some of the residents like Judge J. O. English and Jess Blocker who were very old, said Uncle Charlie was very old when they were children. Uncle Charlie cherishes his bible. He is the grandson of Mr. and Mrs. Dan Burch, Elba, and Mr. and Mrs. George Steller, Stoddard, Wisconsin.

He lived a simple life in a shack up Railroad Hill. Adrift road to the right going up the hill, you could see his simple house. He had no electricity and didn't want any. He cooked on his fireplace with wood he gathered in the woods near his shack. He got a jug of water each day from the Elba flowing well, near the Court-house in Elba.

January 11, 1976, Uncle Charlie was found expired in his shack. He died as he had lived - quietly, in his long life of happiness. The children and all loved Uncle Charlie, and many cried when Uncle Charlie was gone.

Danny Parker, the son of Ray Parker, who lives in Omaha, Nebraska, came down to see and talk with Uncle Charlie in the summer of 1975. When he heard Uncle Charlie had died, he shed tears of love and admiration. A simple funeral and the remains of Elba served as pallbearers, and then Uncle Charlie went from whence he came, as Mother Earth had swallowed him up, and he was at peace and rest forever more.

Uncle Charlie could have said: "ENOUGH FOR ME!" Give me a strongly muscled arm. To push a tool or work a farm. To hold a friend or ward off harm. That's power enough for me. Give me some ground beneath my feet. A wooden bench beneath my seat. A simple bed of limes neat. That's place enough for me.

Give me some clear and open space. Give me some sunshine on my face. Give me a purpose to chase That's wealth enough for me. Give me a well-respected name. As one who played fair in the game.

game.

One who was always welcome when he came to my home. That's fame enough for me. "Requiem of a Man of Fairness or Fame"

He passed through this world but once, and if there was anything he could say or do, "for his boys," let him have said it for he passed this way only once.

WRITER'S NOTE: "Uncle Charlie, born of woman and full of trouble, but he was a good man, and his fellowmen, and wished happiness to all. So, he lived in happiness as he had died - in peace - INDEED!"

FOYLE GUY - POB 160

Dear Sir:

I would like to take this opportunity to express my sincere thanks to you for the manner in which you reported the recent City of Elba election. I am sure that on many occasions you felt like leaving for a particular candidate but did not.

I think the City of Elba is most fortunate in electing the five councilmen that they did. This is not to take anything away from those councilmen which were defeated because they too would have made good councilmen.

The vote I received was most encouraging and I wish to thank all my supporters. The vote for me was received with much promise and again I think it was a good vote in spite of the many slanderous remarks which were made about me. Even with the irregularity which was noted at the polls, and corrected by the officials.

I am sorry so many promises were made to the people that seem so unlikely will be carried out. Elba needs good government and it is still my desire that we have it.

As I have said, I was not so disappointed at not being elected as Mayor of Elba, but I was disappointed at the many slanderous remarks which were made about me and the "wild" promises made to the people which in no way were meant to be performed.

I have been asked by many if I intend to run again. Allow me this opportunity to say, "I began running again on September 15."

Thank you again for your interest in politics and re-training from taking news reports with an unbiased mind.

Sincerely,
SONNY INMAN

day morning, September 28,

Two bids were read for the resurfacing of approximately 20 miles of roads in the county. Hooper and McDonald were awarded the contract with a low bid of \$115,484.50. The other bid came from B. F. Williams Construction Company in Clark, and it was for \$1,622.50.

A representative of Hooper and McDonald told the commission the resurfacing would begin immediately.

The County Engineer informed THE ELBA CLIPPER of the exact location of the resurfacing. The six areas for resurfacing are: (1) 3.75 miles of County Road 5 from the Kinston city limits to Alabama Highway 134; (2) 2.083 miles of Alabama 189 to Alabama 141, North of Basin; (3) 4.462 miles of County Road 42, (Ala. 189 to Ala. 141) also known as the Packing House Road; (4) 3.5 miles of County Road 30 from Ala. 141 to the Crenshaw County Line; (5) 5.067 miles from Hwy. 87 to Ala. 189 (through the Lee Community); and (6) 3.5 miles of County Road 25 between County Road 77 and Victoria.

Asst. County Engineer Anderson told the commission of three (3) minor areas of concern. The most important of these concerned a water problem at New Hope. A public water line which runs close to the roadway had apparently been coming under the road causing considerable damage to the surface of the road. At a brief discussion, the commission concluded the New Hope county was responsible for the maintenance of the roadway.

Commissioner Byron Galloway scheduled a meeting for Tuesday morning, September 28, at 10:00 a.m. in the regular session of the commission to solve the mutual problem.

The commission agreed to pay 60% of Mr. Anderson's salary with the remaining 40% to come from the Highway Department. This is a change from the normal 50-50 pay policy.

Mr. Edward Johnson, Clerk of Commissioners' Court, informed the commission of a possible problem concerning Mr. David Rhoden. Rhoden, the Court Reporter, ran an extension from his office phone to his house trailer. Rhoden did this for both private and business uses, and pays for the extension, and all personal calls made on the phone. Mr. Johnson questioned the legality of the matter and was instructed to contact the Attorney General.

Johnson also reported the need to borrow \$15,000 for the general fund. Mr. Johnson told the members he felt this amount would cover expenses incurred during the remainder of the year. After some discussion, the commission voted 5-0 to borrow the money. Commissioner Whitman abstained from voting.

The meeting was adjourned with no further action.

After long negotiations, an agreement was reached between Cotton Garment Manufacturers represented by Amalgamated - Clothing and Textile Workers Union, and the Union.

Plants in this area represented by the South Alabama Joint Board, ACTUW, are Alalex Inc., Enterprise; Alalex Inc., Troy Pike and Troy Textile in Troy; Alalex Inc. in Brantley; Alalex and Andala in Andalusia; Lady Arrow in Evergreen; Montgomery Distribution Center, Montgomery; Alalex Inc. in Greenville, Fla.; and Eagle of Alabama in Thomasville, Ala.

The overall package includes 30 cents per hour increase across the board, effective September 2, 1976, another 25 cents in September of 1977 and 20 cents more at the end of August, 1978, another holiday, which brings total holidays to each year. (3) days leave payment pay for immediate family. The Amalgamated re-

tirement and insurance benefits were greatly increased, and an escalating cost of living clause.

Members represented by South Alabama Joint Board total 4100.

REVIVAL TODAY
Looking back upon the past we are tempted to say, "The former days were better than these." But the preacher reminds us when we would enquire as to the cause, "Thou dost not enquire wisely con-

cerning this." (Ecclesiastes 7:10). To hold that past victories and blessings were greater than any of the present, or greater than any we may hope for in the future, would make invalid the scripture Hebrews 12:1. But, we know that Jesus Christ is the same yesterday, today and forever! So we need to look deeper to find why such an idea is wrong.

Someone has said that "distance lends enchantment to the view," and it is true that revivals of the past look more attractive through the eyes of time. The truth of the matter is that the church has never faced an hour of such golden opportunity. God has blessed His people in the past, but not because of their efficiency, but IN SPIRIT of them, and He will continue to do so.

The blessings of revival have been the results of believing prayer by hungry, sincere, searching, consecrated, longing hearts. God will meet His people today on the same grounds. History reveals that revivals are born in the labor of prayer.

Yes, revival can be ours today! As we approach God with the same spiritual sincerity and deep dedication that filled the hearts of the members of that first prayer group mentioned in the Book of Acts, we may expect the same outpouring of the Holy Ghost upon us.

Remember ye not the former things, neither consider the things of old. Behold, I will do a new thing, I will make a way in the wilderness, and rivers in the desert. Isaiah 43:18, 19.

Boosters and Council Prepare For Reception

Shown in the accompanying picture are representatives of the Band Booster Club and the Band Council of Elba High School.

These are some of the group that will host the reception this Sunday afternoon, October 3, from 3:00 till 5:00 at the Elba Elementary Cafeteria. The reception will be in honor of the new faculty members at the Elba City Schools.

The Elba Elementary and Middle schools are working toward accreditation by the Southern Association during the 1976-77 school year. One of the requirements is to do a self-study and needs assessment of the schools.

The Jr. and Sr. high schools which were accredited ten years ago, are also required to do a needs assessment and re-evaluation for continued accreditation by the Southern Association.

tem has contracted with General Assistance Center, Tuscaloosa, Alabama, to conduct this needs assessment during the week of October 25 - 29.

Parents, students and faculty members will be asked to participate in this assessment. The study will point out the weaknesses as well as the strengths of the Elba school system.

School officials hope everyone will cooperate in this study.

The Pilot Club of Elba recently donated some playground equipment to the children at the Elba Middle School.

Shown admiring and enjoying the monkey bars are: Mrs. Carolyn Westbrook, PE teacher; Mr. Earl Kelley, principal; Blue Morrow, Lela Powell, David Allard, Lana Lee, Mrs. Betty Lewis, president of the Elba Pilot Club.

Shown in the accompanying picture are: Pam Bludworth, Drum Major, and D'Ann Wilson, Color Guard Captain.

Class Editors Named For Yearbook

Two members of the Rebel 77 staff who have a large job to do are the Class Editors. They are Kathy Ward and Patty Nelson. They are responsible for seeing that every student in grades 1-12 have their picture made when the photographer comes to make Class Day Pictures. When the pictures are returned to us they begin the greatest part of their job—they must identify each picture. This is a painstaking job because they have to make sure that the right name goes under the right picture.

Both Patty and Kathy have been on the Annual Staff for two years and both think that this year's annual will be the greatest yet.

It's Harvest Festival Time Again

It's about that time of the year again when Zion Chapel prepares to welcome spooks, goblins, and witches with the sounds of loud celebration. It will soon be time for the Harvest Festival and Halloween Carnival. As usual some grades have selected Kings and Queens who, with the help of their classmates, will raise money by selling anything that is saleable. The one with the most money will be crowned King and Queen of the Carnival. These contestants are: twelfth, Mavis Downing; eleventh, Ravnell Thompkins; tenth,

Beth Spear; ninth, Lisa Reeves; eighth, Melinda Whittington; seventh, Brenda Davis; fifth, Beverly Ellison and Thomas Eisenhardt; fourth, Sherry Harrelson; third, Leah Crissett and Teddy Faulkner; second, Connie Flowers and Roland Bell; and, first, Lynn Myers and Mickey Napper. These boys and girls will be out working very hard. All of the money they make will go to P.T.O. which is working to centrally heat and air condition the school. Your support will be appreciated.

Of
1977 Fords
Friday and Saturday
October 1st and 2nd

When America needs a better idea, Ford puts it on wheels.

The full-size car that kept its size. Unlike competitors who have scaled down their full-size cars, making them shorter, narrower, and lighter, Ford gives you the full-size Ford LTD and LTD Landau. That's because a lot of people prefer the extra roominess of a full-size car. With its generous hiproom for six. A spacious deep-well trunk, and a longer wheelbase, wider stance, and more road-hugging weight.

A new kind of Thunder. With a new look, a new size, and a new price, thousands less than last year, it's still unmistakably Thunderbird. It's 10" shorter but still seats six in traditional Thunderbird comfort. A new suspension system, and wider track, add new agility and sureness to the legendary quiet and comfort of the Thunderbird ride.

A new, trimmer, sportier line in the LTD tradition. The new LTD II combines LTD's traditional high-level of workmanship with Mustang II's sporty spirit. The result is a comfortable new car that's trimmer in size and price.

Kidney Foundation To Aid Alabama

With the establishment of the Kidney Foundation of Alabama, Inc., the people of Alabama have a valuable new ally in fighting kidney disease or chronic kidney failure which is the number four killer of Americans.

Prevention: For early detection, diagnosis and treatment - before kidney damage becomes too extensive.

Education: To educate the public at large about kidney diseases, to help unsuspecting victims recognize the symptoms, and to train specialized personnel.

Treatment: including expanded donor and transplant programs, more efficient and less expensive dialysis (artificial kidney machines), use of new diets and drugs.

Ad: To those who are on dialysis and who have had kidney transplants.

Donor Programs: To promote the new Alabama driver's license medical organ donor program passed by legislation on August 16, 1976.

Better Facilities: To establish as soon as funds are available, a new wing on the University of Alabama Medical Center which will be the most modern and up-to-date kidney facility in the nation.

TIGERS BOAST 4-1 RECORD

The Elba Tigers' 27-13 win over Dale County last week upped Elba's seasonal record to 4 wins and 1 loss. Before the season started, I picked Elba to go 4-6. Well, at least I'm honest! I had a feeling the Tigers would breeze past the winless Warriors, so I didn't go to the game last week. I went and watched Zion Chapel get beat, but all my friends filled me in on Elba's victory. Here are a few of their thoughts.

"I don't think we should have to pay \$2 to watch the B team play!"

"Those were the worst referees I've ever seen."

"The Jr. team could have beaten Dale County by 30 points."

"It was the most boring game I've ever seen."

"Elba could have scored 100 points if they had wanted to."

"And finally, 'Well, at least their hand looked pretty good!'"

Judging by the comments I heard, I concluded that Dale County is still weak, and Elba is still coming around.

SATURDAY WAS A LONG DAY

Last Saturday was a long, but very enjoyable day. A good friend of mine and I left at 8:00 a.m. headed to Birmingham to watch the Auburn-Tennessee game, and after fighting bumper-to-bumper traffic in Birmingham, finally got inside Legion Field at about 11:30.

Once inside I saw one of the most exciting games I've witnessed in a long time. Auburn and Tennessee took turns going up and down the field, and when the smoke had cleared, the Tigers had their first win, a 38-28 decision over the Vols. The win proved two things to me: (1) Gargis can indeed pass, and (2) Auburn can play without fumbling.

WAR EAGLE!

On the way back to Elba, we stopped off and watched Lanier edge Prattville. The Poets trailed 15-0 midway through the third stanza but struck quickly for 3 touchdowns and won 20-15. Lanier has 100 points in a defense, but they boast two super running backs in Joe Moss and Eric Rollins.

Moss, a 5-7, 150-pound speedster, broke loose for an 82-yard touchdown run, while Rollins, a 6-4, 200-pound fullback, showed great balance and real punch while scoring two touchdowns.

Lanier plays Enterprise in a key regional contest later this season, and it should be a wide-open affair.

It'll take a few good nights of sleep to get back in the swing of things, but I'll be ready to do it again about two weeks!

PREP ROUND-UP

Two teams wrapped up state playoff berths last week, while a couple of others moved closer to a post-season berth. Eclectic clinched their regional title by crushing Holtville 41-7, while Houston Academy wrapped up their crown by edging Coffee Springs 22-14.

Opp bounced back from the Elba loss by dumping Ashford 22-12. The Bobcats face Andalusia this week in a battle of Covington County powers.

Andalusia tuned up by running up a 54-7 score over Troy. The "Dogs" coach, Donnie Sharpe, proved he is still a "Nice Guy" by putting in a couple of starters with only 37 left to push Andy over the 50-point mark. Enjoy it while you can, Coach!

Brantley went to 4-0 by upsetting Laverne 14-13. The Bulldogs are without a doubt one of the top Class A teams anywhere! Eufaula upped their record to 4-1 with a narrow 15-12 win over Brundidge. The Tigers of Coach George Cochran are doing very well.

POLISH PICKS

I hit on 22 of 25 picks last week for an outstanding 88% correct. I just hope I can stay lucky throughout the year!

ELBA - ENTERPRISE The Wildcats have had two weeks to get ready for Elba. The Tigers are good, but will simply be outmanned.

ENTERPRISE 28 - ELBA 0

KINSTON - CLIO The Bulldogs should have won last week, because this week they don't have a chance!

CLIO 34 - KINSTON 8

ZION CHAPEL - ARITON The Rebels have looked awful in losing five straight games, and many feel Z.C. is headed for an 0-10 season. I've got a feeling that Zion Chapel will pull off an upset.

ZION CHAPEL 12 - ARITON 6

NEW BROCKTON - CASTLEBERRY The Gamecocks are due for a big win. This is it!

A 90-Yard Putt?

It Could Happen

At Sandestin

SANDESTIN, FLA. - For the typical golfer, a 90-yard shot would require a crisp pitching wedge. But on the challenging golf course at Sandestin, a golfer might find himself faced with a putt that long.

"An ninety-yard putt? It could happen at Sandestin's famous 'Dolly Giant Green,' which measures 270 feet from end to end and covers 21,000 square feet. It's a double green that serves holes one and eight. Double greens aren't unheard of, but they're rare. The most notable one is on the famed St. Andrews course in Scotland.

Sandestin is a resort on Florida's northwest Gulf coast, midway between Panama City and Pensacola.

The big one weighed 7 pounds, and the little one also weighed 7 pounds, but they're a little. The fishermen were using Hula Poppers.

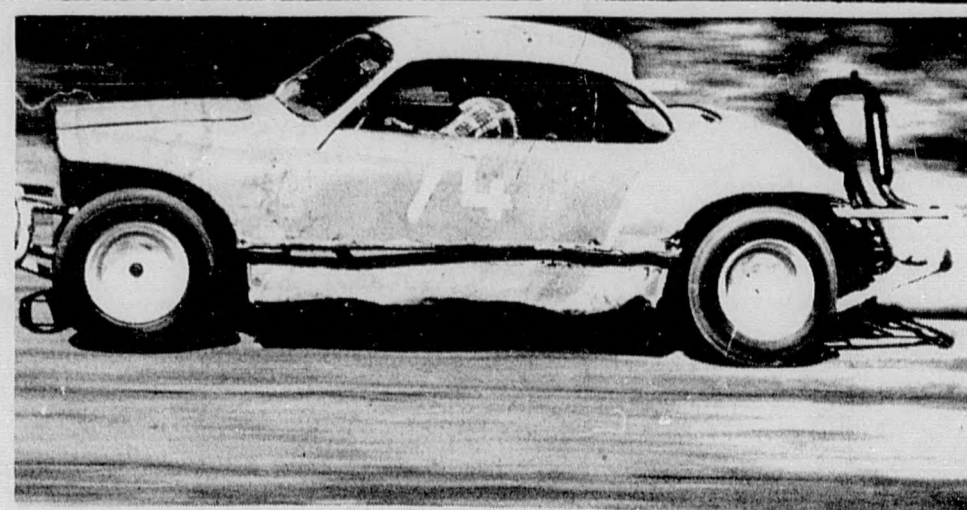

Scott Gibson, Russ Cash and Johnny Dyess show off two well-maybe 1-1/4 week-pers they caught last week at the County pond.

Homecoming Set At Brantley

Brantley High School Homecoming will be October 15, 1976. All former graduates of BHS are urged to attend the festivities. The BHS Alumni Association will be meeting on this date. Letters have been sent concerning the business of the alumni association and if anyone failed to receive a letter please send present address to the Brantley High School Alumni Committee, c/o Brantley High School, Box 86, Brantley, Ala. 36607.

Homecoming Day activities are as follows: 1:00 p.m. - Homecoming parade, 3:00 p.m. - 5:30 p.m. - Registration of BHS alumni and social hour, 5:30-7:00 p.m. - Business meeting of BHS Alumni Association, program and dinner, 7:30 p.m. - Football game: Bulldogs vs. Houston Co. High. A homecoming dance follows the game.

All alumni are invited to attend these activities.

LOUISVILLE RED
DEVILS SLIP PAST

KINSTON 12-8

The Kinston Bulldogs saw their brief one-game winning streak come to an end last week when they lost to the Louisville Red Devils 12-8.

The win gives Louisville a 4-1 record, while the loss drops Kinston to 1-3.

The Louisville lead went to 12-0 in the third quarter when Larry Bailey bulled over from two yards out. The score was set up by a blocked punt which the Devils recovered on the 10-yard line.

The Louisville lead went to 12-0 in the third quarter when Don Abercrombie blasted over from the three-yard line. The home-standing Bulldogs came roaring back in the third stanza to cut the deficit to 12-8.

The tally came on a one-yard sneak by Jeff Parker, and Phillip McKinney raced in for the two-point conversion. Kinston drove deep into Devil territory late in the game, but the Dogs fumbled, and the game ended with Louisville claiming a 12-8 victory.

Wicksburg Slaps Gamecocks 40-0

The Wicksburg Panthers got their spitting offense in gear in the second half to bury the outmanned New Brookton Gamecocks 40-0 last Friday night in New Brookton.

Wicksburg received the opening kick, but failed to move, and the Gamecocks took over. The Brookton drive was short-lived, however, as an alert Panther defender picked off an errant pass at the Wicksburg 43-yard line.

Wicksburg drove to a first down and goal at the four, but failed to score. The Gamecocks couldn't get out of trouble, and on fourth down, New Brookton punter Mike Donaldson couldn't handle a low snap, and Wicksburg recovered for a touchdown.

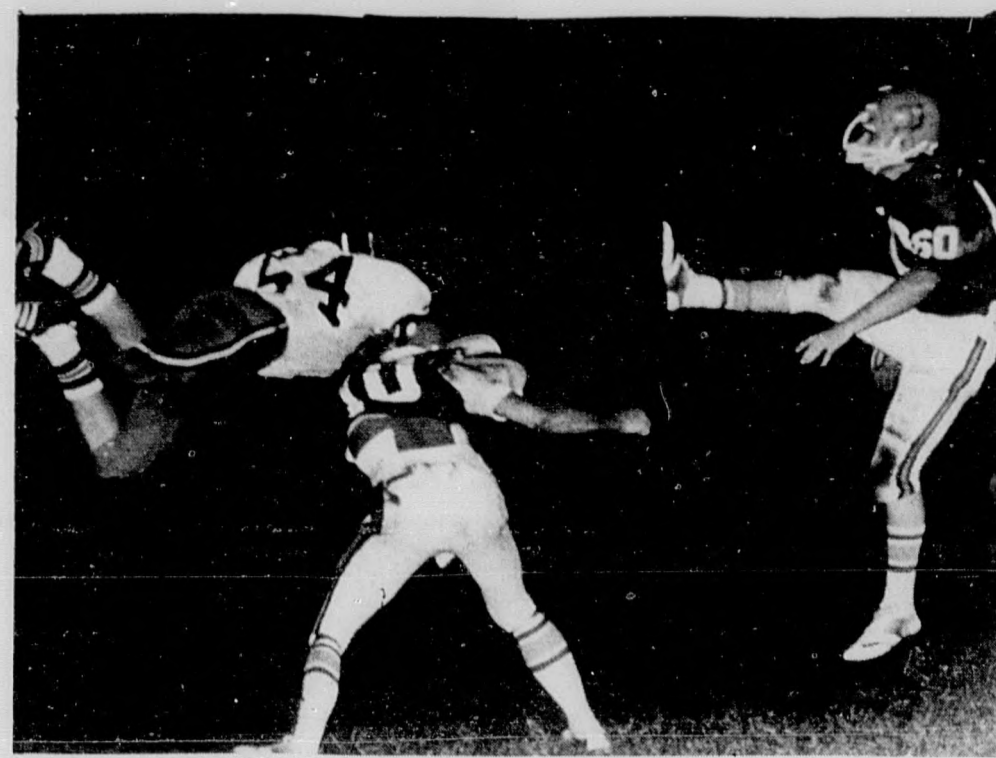

The Wicksburg team went to 14-0 with only seven seconds left in the half when Greg Woodham fired a 32-yard scoring pass to Johnson. The two-point conversion, and at half-time Wicksburg led 14-0.

The Panthers' lead went to 20-0 with 5:59 left in the third quarter following a 74-yard drive.

The score went to 28-0 late in the period, and Wicksburg added two final quarter scores to make the final tally 40-0.

Ken Martin (10) boots p.a.t. to give Elba a 21-0 lead in second quarter.

Tigers Doze Past Winless Warriors 27-13

The Elba Tigers notched Victory Number Four Friday night with an easy 27-13 win over the outmanned Dale County Warriors.

With the win Elba upped their record to 4-1 while Dale County dropped to 0-5.

Elba received the opening kickoff and promptly drove for their first touchdown. James Smith was the workhorse of the drive gaining 34 yards in four carries.

The bruising junior runner covered the final twenty-one yards for the touchdown. Ken Martin booted the extra point giving Elba a 7-0 lead with 8:48 remaining in the first quarter.

Elba got the ball back after Doug Martin recovered a Warrior fumble at the 15. The Tigers failed to capitalize as they fumbled back to Dale County on the Warrior 5.

The Tigers' defense held Elba in business at midfield. After Johnny Dyess failed to gain on first down, the Tigers went to the airways with Russ Cash firing 51 yards to tight end Terry Barnes for the second Tiger touchdown.

Ken Martin's kick was true and with 48 seconds remaining in the first quarter Elba held a 14-0 lead.

After an exchange of punts, Elba's Steven Harrison intercepted a Dale County pass to set up Elba's third six pointer. Two running plays by

Larry Phillips gave Elba a first down at the Warrior twenty. On the next play, sophomore quarterback Marty Marler fired a strike to Steven Harrison in the corner of the endzone giving Elba's lead to twenty. Martin drilled the extra point with 6:39 remaining in the half, the Tigers led 21-0.

Neither team seriously threatened for the remainder of the half.

On the first play of the second half, James Smith intercepted a Warrior pass setting up the Tigers' final touchdown. After Dyess picked up three yards on first down, Larry Phillips took a pitch from quarterback Ken Martin and rambled 20 yards to the Dale County 39. Phillips again got the pitch and picked up 18 big yards to the twenty-one.

Martin and Dyess then combined for a first down at the seven-yard line from Ken Martin to Willie Lowe. Martin's kick sailed wide and with 8:10 remaining in the third quarter Elba led 27-0.

After the ensuing kickoff, both teams swapped turnovers. James Smith recovered a Warrior fumble at the 15. The Warriors' defense held Elba in business at midfield. After Johnny Dyess failed to gain on first down, the Tigers went to the airways with Russ Cash firing 51 yards to tight end Terry Barnes for the second Tiger touchdown.

pass and returned it to the 15. Three plays later seven yards and Ken Martin came in to try a 44-yard field goal on the final play of the third quarter. The kick fell just short and after three quarters, Elba led 27-0.

The defense turned the ball over to the offense again as James Smith recovered his second fumble of the evening, but penalties set the Tigers back, and a third down Marty Marler pass was picked off at the Dale 42.

Elba's defense held again and the Warriors were forced to punt.

Elba took over at their own 35 and after three incomplete passes, defensive lineman Dennis Quattlebaum intercepted quarterback Russ Cash's screen pass and returned it 37 yards for the Warriors' first touchdown. Alan Tidwell added the extra point and with 4:24 remaining Elba's lead was cut to 27-7.

Elba failed to move after an unsuccessful onside kick and punter Ken Martin punted 40 yards to the Dale County 35.

From the 35, Dale County mounted their best drive helped by two fifteen yard penalties. With eight seconds remaining quarterback Frankie Dyess sneaked over from the one for the Warriors final points. The snap was fumbled on the extra point and the run failed.

pass and returned it to the 15. Three plays later seven yards and Ken Martin came in to try a 44-yard field goal on the final play of the third quarter. The kick fell just short and after three quarters, Elba led 27-0.

The defense turned the ball over to the offense again as James Smith recovered his second fumble of the evening, but penalties set the Tigers back, and a third down Marty Marler pass was picked off at the Dale 42.

Elba's defense held again and the Warriors were forced to punt.

Elba took over at their own 35 and after three incomplete passes, defensive lineman Dennis Quattlebaum intercepted quarterback Russ Cash's screen pass and returned it 37 yards for the Warriors' first touchdown. Alan Tidwell added the extra point and with 4:24 remaining Elba's lead was cut to 27-7.

Elba failed to move after an unsuccessful onside kick and punter Ken Martin punted 40 yards to the Dale County 35.
